

OCTOBER 13-15

FEATURING

COMMEMORATIVE
PROGRAM

USA Lacrosse, a Recognized Sports Organization of the United States Olympic & Paralympic Committee, is proud to serve the sport by bringing the energy and excitement to our efforts that the players, coaches and officials bring every time they step on the field.

We collaborate with passionate experts across the sport to create opportunities for people to enjoy the sport, learn about the game, keep participants safe and ensure that everyone feels welcome.

Collaboration is something the organization was built upon. We were established in 1998 as US Lacrosse following the merger of eight national lacrosse organizations, mostly volunteer-run, to help bring more resources to the sport. In 2021, the organization's name was rebranded to USA Lacrosse.

Today, USA Lacrosse serves more than 400,000 members and we have invested more than \$300 million into the sport's development since our inception. We're ready to do even more. Join us.

USA Lacrosse acknowledges that our national headquarters was constructed on the traditional, ancestral and unceded territory of Native nations and communities. We recognize and respect Indigenous Peoples, past and present, as the traditional stewards of this land, and we honor the enduring relationship that exists between Indigenous Peoples and their traditional territories.

USALACROSSE.COM

OUR MISSION

As the governing body of lacrosse in the United States, USA Lacrosse provides national leadership, structure and resources to fuel the sport's growth and enrich the experience of participants.

OUR VISION

We envision a future that offers everyone a lifelong opportunity to enjoy the sport of lacrosse.
