Lacrosse is a game steeped in tradition, rich in values, and strengthened by community. It is a sport sweeping the nation and growing at exponential rates. When spectators experience the contagious thrill of a goal scored and when players encounter the pace at which the game is played, it's no wonder why the sport is hailed as "the fastest game on two feet."

USA Lacrosse is the governing body of lacrosse in the United States. Since 1998 we have been dedicated to providing leadership, support and resources to members of the lacrosse community. Fueled by a passion for the game, USA Lacrosse plays a central role in the rapid growth of the sport throughout the U.S. and abroad. Devoted to promoting the game while preserving its integrity and spirit, USA Lacrosse provides programs and services to 400,000 members in communities across the nation.

USA Lacrosse's headquarters is located in Sparks, Maryland and features the administrative center, as well as the sport's national archives, The National Lacrosse Hall of Fame and Museum. Over 80 full and part-time employees and numerous volunteers and interns work diligently to support and promote the sport of lacrosse.
