

WOMEN'S NATIONAL TOURNAMENT COLLEGE LISTING

All college coaches, whether they attend or not, will receive a digital version of the Player Profiles. College Coaches, if purchased, will also have access to game film. We strongly recommend emailing coaches for colleges that you may be interested in attending prior to the event and letting them know you will be participating in National Tournament, as well as emailing them your game schedule. This list shows those who have RSVP'd to attend as well as those who will receive information but not be in attendance. Though this page is updated weekly as coaches sign up, additional coaches always arrive at the event. Just because a school is NOT on the list right now does NOT mean you shouldn't reach out and let them know you are playing in this event!
