

WOMEN'S NATIONAL TOURNAMENT COLLEGE LISTING AS OF MAY 22, 2025

All college coaches, whether attending in person or not—will receive a digital copy of the Player Profiles. Additionally, coaches who have purchased access will be able to view game films. We highly encourage you to email the coaches from schools you're interested in before the event. Let them know you'll be participating in the Women's National Tournament and include your game schedule. The list linked below includes coaches who have RSVP'd to attend as well as those who will receive player information but are not attending in person. This list is updated weekly, but many coaches choose to attend at the last minute.

Don't wait for a school to appear on the list before reaching out. If there's a program you're interested in, make the first move and let them know you'll be playing!
