LACROSSE

# WELCOME

On behalf of USA Lacrosse, congratulations on your successful season and welcome to the 2025 USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) National Championships. We are excited to bring together the top collegiate club teams in the country for a great week of championship lacrosse. After an outstanding 2025 season, the USA Lacrosse WCLA National Championship event will once again showcase the talents of these student athletes.

Since 2001, USA Lacrosse has had the privilege of working alongside the players, coaches, officials, administrators, and fans connected to the WCLA and its national championship event. This is truly a special community that is devoted to providing a first-class experience for the student-athletes and their schools.

We'd like to acknowledge the generous support of our official 2025 event sponsors – Lacrosse Specialties, Here We Flo, Powell Lacrosse, Gatorade, and GoLive Sports – for their commitment to the WCLA. We are extremely grateful for their assistance in making this a prestigious event. We also appreciate the support of STX in facilitating the Elevate 28 youth clinic that will once again be part of this week's schedule.

Additionally, USA Lacrosse would like to thank the Wichita Visitors Bureau and lacrosse supporters throughout the region for welcoming us into their community and aiding the efforts to make this week a memorable experience for all involved. We're delighted to return to Wichita and the Stryker Sports Complex after enjoying a first-rate championship experience in 2024.

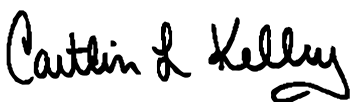

The USA Lacrosse WCLA Committee should also be recognized because without their dedication this event could not take place. The countless hours that these volunteers spend throughout the season is indicative of the passion they have for the WCLA, its athletes, and the excellent level of competition. The committee members are listed on [page 11](#) of this program. Please thank them for their efforts if you have the chance.

While USA Lacrosse is most visible at national events like this and via our publication, USA Lacrosse Magazine, we are engaged in virtually every aspect of the sport, including education, competition, promotion, administration and player, coach, and officials' development. We serve over 425,000 members across the country and strive to make sure that everyone has the opportunity to participate in this great sport.

The WCLA is an integral part of our USA Lacrosse family and represents USAL's commitment to both the growth of the sport and to providing opportunities for female athletes to grow in their leadership abilities through hands-on team and league administration.

USA Lacrosse invites you to learn more about our organization and the WCLA by visiting our website, [usalacrosse.com](http://usalacrosse.com). Good luck to all and have a great week of lacrosse!

Sincerely,

Caitlin Kelley

# ABOUT USA LACROSSE

## ABOUT USA LACROSSE

USA Lacrosse, a Recognized Sports Organization of the United States Olympic & Paralympic Committee, is proud to serve the sport by bringing the same energy and excitement to our efforts that the players, coaches, and officials bring every time they step on the field.

We collaborate with passionate experts across the sport to create opportunities for people to enjoy the sport, learn about the game, keep participants safe, and ensure that everyone feels welcome.

Collaboration is something our organization was built upon. We were established in 1998 as US Lacrosse following the merger of eight national lacrosse organizations, mostly volunteer-run, to help bring more resources to the sport. In 2021, the organization's name was rebranded to USA Lacrosse.

As a Recognized Sports Organization of the USOPC, USA Lacrosse oversees all elements of the U.S. Men's and Women's National Teams, including the pathway to the 2028 Summer Olympics. Equally as important, we serve more than 425,000 members at all levels of the game and have invested more than \$300 million into the sport's development since our inception.

## OUR MISSION

Fueled by a passion for the game, USA Lacrosse plays a central role in the rapid growth of the sport throughout the United States and abroad. Devoted to promoting the game while preserving its integrity and spirit, USA Lacrosse provides programs and services to local organizations across the nation.

USA Lacrosse also promotes the sport through its publications and

websites and through its National Teams program. USA Lacrosse Magazine is the most-widely read lacrosse publication in the world with more than 2.8 million copies distributed to members in 2024. The men's and women's national teams have combined to win 36 world championships.

# TOURNAMENT NOTES

*After winning its first WCLA title last year, No. 2 seed UCLA returns to Wichita trying to become just the fourth program to claim back-to-back D-I championships. The Bruins defeated Northeastern, 13-8, in last year's championship game.*

## » BACK ON THE YELLOW BRICK ROAD

The USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) National Championship is back in Wichita for the second straight year after an exciting inaugural run in 2024 that yielded a pair of first-time champions: UCLA (D1) and Vermont (D2). Now in its 25th year, this championship event is actually rooted in the Midwest, having been played in St. Louis for the first four years (2001-2004). Other stops through the years have included Minneapolis (2005), Dallas (2006), Denver (2007-08), Scottsdale (2009-11), Colorado Springs (2012-13), Virginia Beach (2014-15, 2019, 2023), Winston-Salem (2016), Salt Lake City (2017), and Round Rock, Texas (2018, 2022).

## » THE TOP SEED

Georgia, 14-0, earned the No. 1 seed in the Division I bracket after winning the Southeastern Women's Lacrosse League (SWLL) championship and claiming the league's automatic bid. The Bulldogs defeated Clemson Club, 10-8, in the SWLL final and are making their 17th overall and 10th straight appearance in the WCLA national tournament. Georgia, which won its only WCLA title in 2016, brings a strong resume to Wichita, with 10 victories against top 20 teams this season.

## » CHAMPIONSHIPS FAVOR THE FAVORITES

Recent WCLA history reflects favorably on No. 1 seeds in the Division I tournament. The national champion has emerged from the top line seven times in the past 10 championships. In 2013, Colorado State was the top seed and claimed its fourth national championship that season. In 2014 and again in 2019, Pittsburgh rode the No. 1 seed to the championship, both times in Virginia Beach. In 2015 Michigan Club emerged as champion as the number two seed, but the Wolverines also captured the title in 2018 as the top seed. In 2016, No. 1 Georgia won its first title. And following a two-year hiatus due to Covid-19, Boston College Club claimed back-to-back titles in 2022 and 2023 as the No. 1 seed.

## » THE FAVORITE – DIVISION II

In the Division II bracket, CSU San Marcos, 10-0, earned the top seed for the second straight year and is making its fifth overall appearance in the championship tournament. The Cougars are the only remaining undefeated D-II team in the nation after winning the Western Women's Lacrosse League championship, capped off with a 12-5 victory over Concordia Irvine.

## » PRIOR EXPERIENCE REQUIRED

They must have had a good time last year, because 13 of the 16 Division I teams in last year's tournament found their way back to Wichita in 2025. In fact, there are no first-time qualifiers among this year's teams. Two of the most interesting scenarios belong to No. 6 Central Florida and No. 10 UC Santa Barbara. UCF is back at the championship for the first time since 2012, the longest drought among the Division I squads. Meanwhile, UCSB returns for the first time since 2016, but has a long history with this event. The Gauchos were one of the long-time staples in the WCLA, qualifying every year from 2004 through 2016, including a national runner-up finish in 2013. Despite its long absence, UCSB still ranks sixth in most all-time tournament victories, with 17.

## » D-II RETURNEES & FIRST-TIMERS

In Division II, seven of the 11 teams this year also played in the championship last year, while four teams – No. 4 seed UC San Diego, No. 6 Montana State, No. 8 Fullerton College, and No. 11 Drury – are making their first national tournament appearance. Three others – No. 5 Florida Atlantic, No. 7 Missouri and No. 10 Florida Gulf Coast – are back after making their debuts in Wichita last year. No. 9 seed Denver Club is easily the most experienced D-II program, returning to the national tournament for the 10th time overall. The Pioneers were national champions in 2016 & 2017.

# TOURNAMENT NOTES

*CSU San Marcos earned the top seed in Division II for the second straight year and is making its fifth overall appearance in the championship tournament. The Cougars (10-0) are the only remaining undefeated D-II team in the nation.*

## » TRYING TO RUN IT BACK

After winning its first WCLA title last year in Wichita, No. 2 seed UCLA will try to become just the fourth program to claim back-to-back D-I championships. Cal Poly set a high standard by winning the first seven WCLA championships (2001-2007). Colorado State then won back-to-back in 2010 & 2011, and Boston College Club achieved the feat most recently, in 2022 & 2023. Overall, there are seven prior champions in Wichita this year. In Division I, the prior champs include No. 1 seed Georgia (2016), No. 2 UCLA, No. 5 Boston College, No. 7 Michigan (2015 & 2018), No. 12 Virginia Tech (2009), and No. 14 Pittsburgh (2014 & 2019). The only past champion in Division II is Denver Club, which won its title back-to-back in 2016 & 2017.

## » THE FORMAT

The Division I and Division II brackets both utilize a traditional single-elimination format to determine the champion. Following each team's first loss, it moves into the consolation bracket to determine its final placement. In Division I, all 16 teams play first round games to qualify for the quarterfinal round. In Division II, the six lowest seeded teams play first round games, with the three winners joining the top five seeds in the quarterfinal round.

## » FOLLOW THE GAMES

Complete coverage of the championships – including daily recaps, scores, schedules, and photos – will be provided on [usalacrosse.com/magazine](http://usalacrosse.com/magazine), the official website of USA Lacrosse. Updates will also be available via USA Lacrosse social media platforms. Check it often to stay up-to-date with the latest info. Participants and fans may also use the Tourney Machine app to access updated tournament schedules throughout this year's championships.

# ABOUT THE WCLA & OFFICIALS

The mission of the USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) is to promote the growth of women's lacrosse nationwide. Specifically, the WCLA strives to provide an infrastructure in which collegiate clubs will compete and eventually crown a national champion.

The WCLA first staged a national championship under the USA Lacrosse umbrella in 2001, and the leadership of the WCLA has been the driving force behind the development of women's college club lacrosse since its formation. Leadership opportunities exist on the local, regional, and national levels as WCLA is a representation of teams at all levels.

Nearly 150 teams compete in nine leagues throughout the country, and the WCLA sponsors play at both the Division I and II levels.

The WCLA helps publicize women's college club lacrosse by selecting All-Americans and All-Academic honorees each year, conducting weekly ranking polls, and conducting a national championship at the Division I and II level. The WCLA also provides resources to new and developing club teams to help them become successful.

The large majority of WCLA teams are student-run, and in addition to gaining valuable experience in administration, the WCLA players have a history of giving back to the sport by becoming coaches and/or officials.

# TOURNAMENT HISTORY

*Boston College won back-to-back Division I championships in 2022 and 2023, finishing undefeated in both seasons. BC defeated Georgia both years in the championship game.*

The USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) National Championship was first conducted in 2001, providing college club teams a consistent and true structure to compete nationally. Prior to 2001 there were sporadic championships conducted through other organizations.

Cal Poly won the initial eight-team national tournament in St. Louis in 2001, beginning a run of seven consecutive national championships. The Mustangs defeated Navy in the first championship game, and knocked off Air Force, UCLA, and Santa Clara in successive years to extend its championship streak.

The tournament expanded from eight to 12 teams in 2004, and then to 16 teams in 2005 when the event moved to Minneapolis. Cal Poly survived harsh weather conditions, beating Colorado State in the 2005 title game. The Mustangs then defeated Michigan in the 2006 final, and Navy, again, in 2007 to win their seventh straight championship.

The Cal Poly dynasty finally ended in 2008, with Colorado State rallying for an 8-5 overtime win over the Mustangs in the championship game in Denver. Cal Poly still leads all WCLA programs with 36 all-time tournament wins.

Virginia Tech was making just its third WCLA tournament appearance in 2009 and came into the event carrying a No. 6 seed, but it mattered little as the Hokies marched to the title.

Colorado State returned to the top spot in 2010, pulling off four straight upset victories as the No. 11 seed to capture its second championship. The Rams defeated Cal Poly, 6-4, in the final. Meanwhile, Cal Berkeley Club captured the inaugural Division II championship, beating Loyola (Md.) Club in the title game.

Colorado State made it two-in-a-row and won its third overall championship by defeating UCLA in the 2011 final. In the Division II final, Chapman edged Towson Club, 9-8, to complete an undefeated season.

Tenth-seeded UC Davis Club surprised top-seeded Colorado State in the 2012 championship game, denying the Rams a third consecutive national title. In Division II, North Carolina Club edged Towson Club, 9-8, marking the second consecutive one-goal loss for Towson in the championship.

Colorado State became the first No. 1 seed to win the championship in six years by claiming the 2013 title to cap an undefeated season. James Madison also had a lot to celebrate by winning the Division II crown in its first-ever tournament appearance.

In 2014, the tournament venue moved to the East Coast for the first time and Pittsburgh became just the second eastern team to capture the title. Top-seeded Pitt held off upstart Boston College, the No. 15 seed, in the championship game to claim its first title. In Division II, North Carolina Club capped an undefeated season by rallying for a 10-9 victory over defending champion James Madison in the final.

There was nothing unlucky for Michigan in 2015 as the Wolverines made their 13th WCLA appearance and captured their first championship by defeating Virginia Tech in the final. In Division II, No. 1 seed Duke capped an undefeated season by registering an 8-3 win over Utah in the championship game.

The 2016 tournament yielded two more first-time champions as Georgia claimed the Division I title, beating Minnesota in the final game. The No. 1 seed Bulldogs had made nine previous trips to the tournament without ever reaching the semifinal round. In Division II, Denver Club worked overtime to claim its first title, defeating Utah 11-10 in sudden-death. Utah finished as the national runner-up for the third time in four years.

The tournament moved west once again in 2017, hosted in Salt Lake City. Delaware Club captured the D-I title as the No. 7 seeded Blue Hens upset No. 1 Pittsburgh, 13-11, in the championship game. Denver Club also made tournament history by becoming the first back-to-back champion in the history of the Division II championship. The Pioneers defeated Loyola Maryland in the final and finished the year with a 13-game winning streak.

Michigan claimed its second Division I crown in 2018, capping an undefeated season with a win over BYU in the final game. In Division II, Loyola (Md.) Club earned some revenge by dethroning Denver Club, 14-3, in the title game to claim its first championship.

In 2019, Pittsburgh defeated Delaware Club, 15-11, to capture its second Division I title, while Loyola Club downed Navy Club, 13-6, to claim its second straight Division II crown.

Following a two-year hiatus (2020 & 2021) due to the Covid-19 pandemic, the championship returned in 2022 with Boston College Club winning the Division I crown and Loyola (Md.) Club claiming its third straight D-II title. BC repeated as champion in 2023, completing a second straight undefeated season, while New Hampshire Club captured its first Division II title.

In 2024, the WCLA crowned a pair of first-time champions, with longtime contender UCLA finally breaking through to win the Division I title, while Vermont claimed the D-II title.
