

MAY 23-24, 2026

SUNY BROCKPORT

OFFICIAL EVENT PROGRAM

**This game was not handed down.
It was built — touch by touch.**

Before the crowds.
Before the cameras.
Before the world was watching.

**Women picked up the stick
and shaped something lasting.**

They taught it. They protected it.
They carried it forward when recognition
lagged behind effort.

**They left their mark long
before anyone was counting.**

**A hundred years later,
the game bears those marks.**

Not in one name.
Not in one moment.
But in thousands of unseen touches—
every pass, every cradle, every ground ball, every lesson shared.

That is what this jersey carries.

**A fingerprint formed by generations.
Each line a year.
Each curve a moment.
Each break a reminder that the
story is still unfolding.**

**This mark does not belong
to one athlete.**

It belongs to every woman who played before —
and every woman bold enough to play next.

When you pull this jersey over your head,
you do more than represent the game.
You become part of its identity.

Because the game is not written in records alone.
It is written by hands.

**And for 100 years,
women have been leaving their mark.**

WELCOME

On behalf of USA Lacrosse, welcome to one of the most celebrated traditions in our sport. Since 1933, the Women's National Tournament has brought together the very best players from across the country. This weekend, you are part of that legacy.

To our athletes: earning your place here is no small feat. You've competed, been evaluated, and selected through a highly competitive regional process. That journey alone is an achievement. This weekend is your opportunity to compete at the highest level, challenge yourself, and showcase your talent in front of collegiate coaches from across the nation. Play with confidence, enjoy the moment, and represent your team and region with pride.

To our families: thank you. Your support, time, and commitment make moments like this possible. From early practices to long travel days, you've been an essential part of each athlete's journey. We're grateful you're spending your Memorial Day Weekend with us and hope you enjoy watching some of the best young talent in the game.

We're proud to host this year's event in New York and extend our sincere thanks to SUNY Brockport for their partnership. We also encourage you to take advantage of the incredible lacrosse happening nearby, including the NCAA Division II and III Women's Lacrosse Championships in Rochester. Many of the athletes competing there once stood in the same place as our participants this weekend—a powerful reminder of what lies ahead.

Events like this are made possible through the dedication of our regional volunteers and coaches, whose passion and leadership guide the selection process and help shape this experience.

We also thank our valued partners—Capelli Sport, Gait Lacrosse, GoLive Sports, Halpern Travel, Lacrosse Specialties, Next College Student Athlete (NCSA), and SportsRecruits—whose support enhances every aspect of the tournament.

At USA Lacrosse, our mission is to grow the game and support every participant - players, coaches, officials, and families - at all levels. From grassroots development to our National Team Program, we are committed to advancing the sport. With lacrosse set to return to the Olympic stage in 2028, this is an exciting time to be part of the game's future.

This weekend is about more than competition—it's about community, opportunity, and a shared love for lacrosse. There is no other event that brings together this level of talent from every corner of the country, and we're honored to provide this platform.

Good luck to all participants. Play hard, support one another, and enjoy every moment.

Have a fantastic weekend of lacrosse.

Sincerely,

Caitlin Kelley
Sr. Director, Sports Administration,
USA Lacrosse

USA Lacrosse, the governing body for lacrosse in the United States, welcomes you to this event and asks that you support all participants in a positive manner. USA Lacrosse has made a commitment to encourage fair play and good sportsmanship by coaches, players, officials and fans. You can do your part today by helping us honor the game by respecting all participants in this event and recognizing the value of fair play, both by the letter and the spirit of the rules of the game. Profanity, degrading remarks, and intimidating actions directed at officials or competitors will not be tolerated, and are grounds for removal from the event site. Thank you for promoting good sportsmanship at this event.

THANK YOU PARTNERS!

ABOUT USA LACROSSE

ABOUT USA LACROSSE

USA Lacrosse, a Recognized Sports Organization of the United States Olympic & Paralympic Committee, is proud to serve the sport by bringing the same energy and excitement to our efforts that the players, coaches, and officials bring every time they step on the field.

We collaborate with passionate experts across the sport to create opportunities for people to enjoy the sport, learn about the game, keep participants safe, and ensure that everyone feels welcome.

Collaboration is something our organization was built upon. We were established in 1998 as US Lacrosse following the merger of eight national lacrosse organizations, mostly volunteer-run, to help bring more resources to the sport. In 2021, the organization's name was rebranded to USA Lacrosse.

Today, USA Lacrosse serves more than 425,000 members and we have invested more than \$300 million into the sport's development since our inception. We're ready to do even more

USA Lacrosse supports over 425,000 members around the country by providing educational programs, playing opportunities, financial support, and more. Learn more about the organization by visiting our website at usalacrosse.com.

OUR MISSION

USA Lacrosse is the governing body of lacrosse in the United States, and we are dedicated to providing leadership, support, and resources to members of the lacrosse community. Fueled by a passion for the game, USA Lacrosse plays a central role in the rapid growth of the sport throughout the United States and abroad. Devoted to promoting the game while preserving its integrity and spirit, USA Lacrosse provides programs and services to local organizations across the nation.

USA Lacrosse also promotes the sport through its publications and websites and through its National Teams program. USA Lacrosse Magazine is the most-widely read lacrosse publication

in the world with more than 2.8 million copies distributed to members in 2025. The men's and women's national teams have combined to win 36 world championships, more than any other country in the world.

SUPPORT OUR MISSION

As a 501(c)(3) nonprofit organization, USA Lacrosse relies on the generosity of its members and donors to fund its activities and support its mission, with a percentage of every USA Lacrosse member's dues directed back to help support local lacrosse initiatives. 2025 RECAP

Playing on its home turf at the University of Massachusetts, the Massachusetts/Rhode Island contingent continued its run of success at the USA Lacrosse Women's National Tournament with all four of its entries winning their respective division, including bringing home the Val Walchak Trophy for capturing the top flight in the Red Division for the fifth time in the last seven years.

Nearly 900 high school girls' lacrosse players from 28 states and the District of Columbia competed over the two-day tournament at the University of Massachusetts as the historic event celebrated its 92nd year of operation.

Joining Massachusetts/Rhode Island as division winners was the Idaho/Montana/Wyoming region, which won the Blue Division for its first championship ever in the event.

Recaps of the championship games follow:

BLUE DIVISION

Idaho/Montana/Wyoming made its debut at the USA Lacrosse Women's National Tournament in 2021 and the region showed its progress with a dominant run through the Blue Division. ID/MT/WY outscored its opponents 53-10 during pool play and

then knocked off Southern Ohio 12-6 in the championship game. Kaitlyn Foster, a junior from Rimrock (Mont.) High School, had a hat trick in the championship game and was named the Blue Division's Most Outstanding Player. Sevea O'Brien and Harlie Toolson each scored twice for ID/MT/WY as well. Caroline Gehring and Natalie Klaber led Southern Ohio with two goals each.

GREEN DIVISION

A balanced effort that saw eight different players score goals led Massachusetts/Rhode Island 4 past North Texas 10-6 in the championship game. Mia Macropoulos and Emma Prouty each scored twice while Molly Campbell, a sophomore from Cohasset (Mass.) High School was named as the Most Outstanding Player in the tournament in the Green Division. Alexa Koerckel scored four times for North Texas.

2025 RECAP

ORANGE DIVISION

Massachusetts/Rhode Island 2 pulled away from a close battle in the second half to defeat Connecticut 1 11-6 in the Orange Division final. The score was tied 4-4 in the third quarter, but three straight goals in the quarter helped MA/RI take command. Cecila Evans and Avery Regan each scored twice in the victory and Evans, a sophomore from Dexter Southfield (Mass.) School, was named as the Most Outstanding Player in the Orange Division. Ceceila Peary and Chase Powers both had two goals for Connecticut.

RED DIVISION

A strong defensive effort led Massachusetts/Rhode Island 1 past Washington state in the Red Division championship game for the second year in a row, this time by an 11-1 score. Scarlett Mirak led her team with three goals and two assists in the championship game while Tara Battaglino, a junior from Wellesley (Mass.) High School was named as the Most Outstanding Player in the Red Division. Camilla Manfredo scored for Washington.

YELLOW DIVISION

Ellie Bracken led the barrage with four goals and three assists and Vivian Houston added a hat trick. Jessie Heller, a sophomore from Wellesley (Mass.) High School, was named as the Yellow Division's Most Outstanding Player. Evers Morris led South Carolina with three goals and Lily Sundell added two.
