

AMATEUR ATHLETIC WAIVER AND RELEASE OF LIABILITY PERTAINING TO USE OF UNCERTIFIED EYEWEAR IN GIRLS' LACROSSE

- A. I, as parent/guardian with legal responsibility for this participant, certify that my participating child has a prescription for eyewear that precludes her from wearing SEI certified eyewear. I am voluntarily electing to allow my child to participate in girl's youth lacrosse wearing eyewear identified below, which is not SEI certified. I know and understand:
1. The inherent risks of injury, including serious injury, inherent in playing sports, including injury to the head, face, eyes, and eye area.
 2. The inherent risks of serious injury, including injury to the head, face, eyes, and eye area, include but are not limited to collision related injury and injury as a result of being struck by ball, stick, or other equipment.
 3. That the eyewear worn by my child is not SEI certified or legal per the current USA Lacrosse rulebook.
 4. That USA Lacrosse does not vouch for the safety and effectiveness of the eyewear identified below and expressly disclaims that it is safe.
 5. That the uncertified eyewear worn by my child may be less effective in preventing and mitigating injury.
- B. In consideration of being able to participate in any way in girl's youth lacrosse governed by USA Lacrosse Youth Girls Rules, on behalf of me and my child, with full understanding of all risks, I knowingly and freely assume all such risks, both known and unknown, from my child playing girls youth lacrosse with eyewear that is not SEI certified nor legal per the current USA Lacrosse rulebook. I assume full responsibility for consequences from my child's participation without SEI certified eyewear. On behalf of me and my child, I further agree to waive, release, and acquit USA Lacrosse, Inc., its employees, directors, officers, members, volunteers, and agents from all claims, losses, expenses, or damages relating to my child's use of uncertified eyewear.
- C. I understand that in addition to signing this waiver and release, for my child to participate without SEI certified eye protection:
1. My child must have a prescription for corrective eyewear that prevents her from wearing eyewear that is SEI certified, and I have provided a note to USA Lacrosse in a form provided by USA Lacrosse from my child's physician stating that my child requires prescriptive eyewear.
 2. That the player must carry a current waiver with them to show to coaches and officials for competitions, practices, drills, or other on-field activities.
 3. That the player must wear for all such activities one of the models listed below, which are not SEI certified, and not represented to be safe or effective, but meet the following ASTM standard:
 - i. ASTM 803 and ASTM F3077-14 models, which include Bangerz OTG, and Liberty Sports Slam and Betty models, and any other models that meet those standards.

4. I will notify my child's coach of the need for my child to wear eyewear that is not SEI certified. I authorize US Lacrosse to provide a copy of the approved waiver to my child's coach listed below (mandatory for approval):
