WELCOME

On behalf of USA Lacrosse, congratulations on your successful season and welcome to the 2024 USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) National Championships. We are excited to bring together the top collegiate club teams in the country for a great week of championship lacrosse. After an outstanding 2024 season, the USA Lacrosse WCLA National Championship event will once again showcase the talents of these student athletes.

Since 2001, USA Lacrosse has had the privilege of working alongside the players, coaches, officials, administrators, and fans connected to the WCLA and its national championship event. It is truly a special community that is devoted to providing a first-class experience for the student-athletes and their schools.

We'd like to acknowledge the generous support of our official 2024 event sponsors -Gatorade, Enovis, Lacrosse Specialties, Powell Lacrosse, Visit Wichita, and Chicken N Pickle- for their commitment to the WCLA. We are extremely grateful for their assistance in making this a prestigious event.

Additionally, USA Lacrosse would like to thank the Wichita Visitors Bureau and lacrosse supporters throughout the region for welcoming us into their community and aiding the efforts to make this week a memorable experience for all involved. We're delighted to come to Wichita and the Stryker Sports Complex.

The USA Lacrosse WCLA Subcommittee should also be recognized because without their dedication this event could not take place. The countless hours that these volunteers spend throughout the season is indicative of the passion they have for the WCLA, its athletes, and the excellent level of competition. The subcommittee members are listed on page 11 of this program. Please thank them for their efforts if you have the chance.

While USA Lacrosse is most visible at national events like this and via our publication, USA Lacrosse Magazine, we are engaged in virtually every aspect of the sport, including education, competition, promotion, administration and player, coach, and officials' development. We serve nearly 400,000 members across the country and strive to make sure that everyone has the opportunity to participate in this great sport.

The WCLA is an integral part of our USA Lacrosse family, and represents USAL's commitment to the both the growth of the sport and to providing opportunities for female athletes to grow in their leadership abilities through hands-on team and league administration.

USA Lacrosse invites you to learn more about our organization and the WCLA by visiting our website, usalacrosse.com.

Good luck to all and have a great week of lacrosse!

Sincerely,

TOURNAMENT NOTES

FOLLOW THE YELLOW BRICK ROAD

The USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) National Championship is being played in Kansas for the first time, although the event has visited other Midwest locations in prior years. In fact, the origins of this championship event are rooted in the Midwest, having been played in St. Louis for the first four years (2001-2004). Other stops through the years have included Minneapolis (2005), Dallas (2006), Denver (2007-08), Scottsdale (2009-11), Colorado Springs (2012-13), Virginia Beach (2014-15, 2019, 2023), Winston-Salem (2016), Salt Lake City (2017), and Round Rock, Texas (2018, 2022).

THE TOP SEED

Florida Club, 14-1, earned the No. 1 seed in the Division I championship for the first time ever after winning the Southeastern Women's Lacrosse League (SWLL) championship and claiming the league's automatic bid. The Gators defeated Clemson Club, 10-7, in the SWLL final and are making their 13th overall appearance in the WCLA national tournament. Florida's only loss this season came against defending national champion Boston College, 6-4, on March 27.

BEING THE FAVORITE IS A GOOD THING

Based on recent history, being the No. 1 seed in the Division I championship is a good omen. The national champion has emerged from the top line seven times in the past nine championships, including each of the past two years as BC has captured back-to-back titles. In 2013, Colorado State was the top seed and claimed its fourth national championship that season. In 2014 and again in 2019, Pittsburgh rode the No. 1 seed to the championship, both times in Virginia Beach. In 2015 Michigan Club emerged as champion as the number two seed, but the Wolverines also captured the title in 2018 as the top seed. In 2016, No. 1 Georgia won its first title. The only major exception was in 2017, with No. 7 seed Delaware upsetting No. 1 Pittsburgh in the championship game.

Boston College defeated Georgia, 11-5, in the 2023 championship game to cap an undefeated 18-0 season and become the first WCLA team to win back-to-back Division I titles since 2011.

THE FAVORITE – DIVISION II

In the Division II bracket, CSU San Marcos, 12-0, earned the top seed for the first time and is making its fourth overall appearance in the championship tournament. The Cougars are one of just two undefeated teams at the championship, along with No. 2 seed Boise State (13-0). CSU San Marcos was this year's champion in the Western Women's Lacrosse League, defeating San Diego 14-8 in the tournament final.

PRIOR EXPERIENCE REQUIRED

There is only one first-timer (sort of) among the 16 teams in this year's Division I field. In fact, 12 of the 16 teams were qualifiers for last year's national tournament. The most unique scenario belongs to No. 16 seed Utah Valley, which received an at-large invitation in its first year as a Division I member. In 2022 and 2023, the Wolverines were the top seed in the D-II tournament, and finished as national semifinalist in 2022 and national runner-up in 2023. Other than Utah Valley, Clemson Club is the least experienced team in the D-I field, having made just one prior appearance in 2022. At the other end of the spectrum, Michigan leads all participants with its 20th overall appearance and 12th straight showing in the D-I tournament.

D-II VETERANS & FIRST-TIMERS

In Division II, nine of the 12 teams in this year's field have played in the championship previously, including seven teams that also participated in last year's championship event in Virginia Beach. The only newcomers in D-II this year are No. 7 seed Florida Atlantic, No. 11 Florida Gulf Coast, and No. 12 Missouri. No. 9 Denver Club is the most experienced D-II program, returning to the national tournament for the ninth time overall. The Pioneers were national champions in 2016 & 2017.

TOURNAMENT NOTES

CSU San Marcos (12-0) earned the top seed for the first time and is making its fourth overall appearance in the D-II championship tournament. The Cougars are one of just two undefeated teams, along with No. 2 seed Boise State (13-0).

WHERE CHAMPIONS PLAY

There are a number of prior champions in both divisions that are back to chase another trophy in 2024. In Division I, the prior champs include No. 2 seed Georgia (2016), No. 4 Pittsburgh (2014 & 2019), No. 8 Boston College (2022 & 2023), No. 9 Virginia Tech (2009), and No. 10 Michigan (2015 & 2018). By winning the title in each of the last two years (with undefeated records), BC became the first WCLA team to win back-to-back Division I titles since Colorado State in 2011. There are two past champions in Division II this year, Denver Club (2016 & 2017), and New Hampshire Club, which captured the 2023 title with a 9-8 victory over Utah Valley.

THE FORMAT

The Division I and Division II formats are slightly different due to the variance in the number of teams. The Division I format calls for a traditional single-elimination bracket to determine the champion. Following each team's first loss, it moves into the consolation bracket to determine its final placement. In Division II, the teams are arranged into four pools of three teams each. A round-robin within each pod determines the qualifier that advances into the semifinal round. Single-elimination is utilized in the semifinals and final.

ABOUT THE WCLA & OFFICIALS

The mission of the USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) is to promote the growth of women's lacrosse nationwide. Specifically, the WCLA strives to provide an infrastructure in which collegiate clubs will compete and eventually crown a national champion.

The WCLA first staged a national championship under the USA Lacrosse umbrella in 2001, and the leadership of the WCLA has been the driving force behind the development of women's college club lacrosse since its formation. Leadership opportunities exist on the local, regional, and national levels as WCLA is a representation of teams at all levels.

Nearly 145 teams compete in nine leagues throughout the country, and the WCLA sponsors play at both the Division I and II levels.

The WCLA helps publicize women's college club lacrosse by selecting All-Americans and All-Academic honorees each year, conducting weekly ranking polls, and conducting a national championship at the Division I and II level. The WCLA also provides resources to new and developing club teams to help them become successful.

The large majority of WCLA teams are student-run, and in addition to gaining valuable experience in administration, the WCLA players have a history of giving back to the sport by becoming coaches and/or officials.

TOURNAMENT HISTORY

No. 7 seed Delaware upset No. 1 Pittsburgh in the 2017 D-I final, becoming one of the lowest seeds to win the championship.

Colorado State made it two-in-a-row and won its third overall championship by defeating UCLA in the 2011 final. In the Division II final, Chapman edged Towson Club, 9-8, to complete an undefeated season.

Tenth-seeded UC Davis Club surprised top-seeded Colorado State in the 2012 championship game, denying the Rams a third consecutive national title. In Division II, North Carolina Club edged Towson Club, 9-8, marking the second consecutive one-goal loss for Towson in the championship.

Colorado State became the first No. 1 seed to win the championship in six years by claiming the 2013 title to cap an undefeated season. James Madison also had a lot to celebrate by winning the Division II crown in its first-ever tournament appearance.

In 2014, the tournament venue moved to the East Coast for the first time and Pittsburgh became just the second eastern team to capture the title. Top-seeded Pitt held off upstart Boston College, the No. 15 seed, in the championship game to claim its first title. In Division II, North Carolina Club capped an undefeated season by rallying for a 10-9 victory over defending champion James Madison in the final.

There was nothing unlucky for Michigan in 2015 as the Wolverines made their 13th WCLA appearance and captured their first championship by defeating Virginia Tech in the final. In Division II, No. 1 seed Duke capped an undefeated season by registering an 8-3 win over Utah in the championship game.

The 2016 tournament yielded two more first-time champions as Georgia claimed the Division I title, beating Minnesota in the final game. The No. 1 seed Bulldogs had made nine previous trips to the tournament without ever reaching the semifinal round. In Division II, Denver Club worked overtime to claim its first title, defeating Utah 11-10 in sudden-death. Utah finished as the national runner-up for the third time in four years.

The tournament moved west once again in 2017, hosted in Salt Lake City. Delaware Club captured the D-I title as the No. 7 seeded Blue Hens upset No. 1 Pittsburgh, 13-11, in the championship game. Denver Club also made tournament history by becoming the first back-to-back champion in the history of the Division II championship. The Pioneers defeated Loyola Maryland in the final and finished the year with a 13-game winning streak.

Michigan claimed its second Division I crown in 2018, capping an undefeated season with a win over BYU in the final game. In Division II, Loyola (Md.) Club earned some revenge by dethroning Denver Club, 14-3, in the title game to claim its first championship.

In 2019, Pittsburgh defeated Delaware Club, 15-11, to capture its second Division I title, while Loyola Club downed Navy Club, 13-6, to claim its second straight Division II crown.

Following a two-year hiatus (2020 & 2021) due to the Covid-19 pandemic, the championship returned in 2022 with Boston College Club winning the Division I crown and Loyola (Md.) Club claiming its third straight D-II title. BC repeated as champion in 2023, completing a second straight undefeated season, while New Hampshire Club captured its first Division II title.

The USA Lacrosse Women's Collegiate Lacrosse Associates (WCLA) National Championship was first conducted in 2001, providing college club teams a consistent and true structure to compete nationally. Prior to 2001 there were sporadic championships conducted through other organizations.

Cal Poly won the initial eight-team national tournament in St. Louis in 2001, beginning a run of seven consecutive national championships. The Mustangs defeated Navy in the first championship game, and knocked off Air Force, UCLA, and Santa Clara in successive years to extend its championship streak.

The tournament expanded from eight to 12 teams in 2004, and then to 16 teams in 2005 when the event moved to Minneapolis. Cal Poly survived harsh weather conditions, beating Colorado State in the 2005 title game. The Mustangs then defeated Michigan in the 2006 final, and Navy, again, in 2007 to win their seventh straight championship.

The Cal Poly dynasty finally ended in 2008, with Colorado State rallying for an 8-5 overtime win over the Mustangs in the championship game in Denver. Cal Poly still leads all WCLA programs with 36 all-time tournament wins.

Virginia Tech was making just its third WCLA tournament appearance in 2009 and came into the event carrying a No. 6 seed, but it mattered little as the Hokies marched to the title.

Colorado State returned to the top spot in 2010, pulling off four straight upset victories as the No. 11 seed to capture its second championship. The Rams defeated Cal Poly, 6-4, in the final. Meanwhile, Cal Berkeley Club captured the inaugural Division II championship, beating Loyola (Md.) Club in the title game.
