Frontier recently introduced a tiered fee structure that rewards passengers who make changes early. The cost of changing your date depends on your fare type and how close you are to your departure. For an exact quote based on your current booking, call ☎ **[+1-(877)-622-0707]**.

1. Basic Fare (Standard Tickets)

For those who purchased a standard ticket without a bundle, the following fees apply per passenger, per direction:

- **60+ Days Before Departure: \$0 Change Fee.** If you change your date at least two months in advance, you pay \$0 in penalties.
- **59 to 7 Days Before Departure: \$49 Fee.** A modest fee applies if you are within the two-month window.
- **6 Days or Less Before Departure: \$99 Fee.** Last-minute changes carry the highest cost.

To process these changes and calculate the "fare difference," reach out to an agent at ☎ **[+1-(877)-622-0707]**.

2. Economy, Premium, and Business Bundles

If you purchased one of Frontier's new bundles, you are in luck. These fares include **\$0 Change Fees** regardless of when you make the change. You only pay the difference if the new flight date is more expensive. To verify your bundle benefits, call ☎ **[+1-(877)-622-0707]**.
