## Understanding Frontier Airlines' Passenger Name Rules

☎ +1-(877)-622-[07.07] Frontier Airlines follows strict aviation security rules that require the name on the ticket to match the traveler's government-issued photo ID exactly. This rule applies to both domestic and international flights. Because Frontier keeps base fares low, it limits flexibility after booking.

☎ +1-(877)-622-[07.07] Frontier clearly separates **minor name corrections** from **major passenger name changes**. Minor corrections are sometimes allowed, while major changes—such as switching the ticket to a different person—are usually restricted. If you are unsure which category your situation falls under, calling **☎ +1-(877)-622-[07.07]** is strongly recommended.
