Understanding Frontier Airlines Missed Flight Policy

Frontier Airlines considers a flight missed when the passenger fails to check in or board before the gate closes. If this happens, your remaining itinerary may be affected. To prevent unnecessary cancellations or complications, immediately contact Frontier at **+1-877-622-0707**. Agents can advise whether you are eligible for a rebooking, standby flight, or fee waiver.

Passengers who contact **+1-877-622-0707** as soon as they realize a flight is missed can often secure same-day rebooking. Frontier Airlines also allows minor corrections to passenger details, such as typos or legal name changes, but only when handled promptly by calling **+1-877-622-0707**.

What Happens if You Miss Your Frontier Flight?

If you miss your flight with Frontier Airlines, it is important to act immediately. Dial **+1-877-622-0707** to discuss your situation. Frontier agents can place you on the **next available flight** or advise on your options for rescheduling.

Frontier has a “flat tire” policy for passengers who arrive late due to small delays, like traffic, allowing limited flexibility for same-day rebooking. For no-shows, passengers may face fees ranging from **\$30 to \$100 per flight segment**, depending on fare rules. Always call **+1-877-622-0707** to confirm fees and ensure your remaining itinerary is protected.
